

ESO - LATIN-AMERICAN PROGRAMME

MASTERCLASS IN **CLINICAL ONCOLOGY**

25-29 April 2015
São Paulo, Brazil

Chairs:

N. Pavlidis, GR - R.A. Stahel, CH

Scientific Co-ordinators:

M. Apro, CH - F. Cardoso, PT

FOREWORD

The Masterclass is the most structured ESO educational activity whose format has been established and presented in Europe for over a decade. The success of the teaching method has been confirmed by the events held also in other parts of the world, such as in Eastern Europe and Balkan Region, in Arab countries as well as in the discipline-oriented courses, such as in nursing oncology, surgical oncology, radiation oncology and in oncology pharmacy.

It is with pleasure and gratefulness for the consideration of the local community as well as the Masterclass core faculty, that ESO announces the first edition of the Masterclass in Latin America to be held in São Paulo on 25-29 April 2015.

The traditional format and admission procedure will apply but special attention will be devoted to the specific needs of the targeted audience.

As for all Masterclasses, the number of participants will be limited and admission will be by competitive application only.

Admitted participants will be granted free registration and full-board accommodation for the duration of the Masterclass.

TEACHING FORMAT

The Masterclass offers plenary lectures regarding state-of-the-art clinical evaluation and treatments with reference to clinical guidelines and which will conclude in take-home messages. The Clinical Sessions will be complemented by Tumour Board discussions. Furthermore, participants will deliver case presentations within small groups and discuss these with the chairs and the faculty.

All participants will reside at the course venue and participation is compulsory throughout the course. The Masterclass will be entirely in English and at least an intermediate level of English is necessary for admission.

THE MASTERCLASS IS

- A 5-day residential educational event
- Full immersion
- Clinically-oriented
- Multidisciplinary
- Delivered by an international faculty of experts

IDEAL PROFILE OF THE MASTERCLASS CANDIDATE

- Age between 30 and 40 years
- At least 2-3 years' experience in medical oncology (or clinical oncology)
- Involvement in scientific activities (desirable)
- At least an intermediate level of English language (simple scientific discussion in English)

LANGUAGE

The Masterclass will be held in English and translation will not be provided.

ACKNOWLEDGEMENTS

The Latin-American Masterclass in Clinical Oncology is supported through ESO funding and unrestricted educational grants provided by **Sanofi Oncology** (Platinum sponsor) and **Genomic Health** (Silver sponsor) to whom ESO wishes to express its gratitude.

ATTENDANCE TO THE MASTERCLASS IS BY APPLICATION ONLY

Successful applicants are granted free registration and accommodation

APPLICATION DEADLINE: 9 FEBRUARY 2015

Information and online application are available at www.eso.net

HOW TO APPLY

Interested oncologists should apply and provide the following documents:

- Letter describing motivation for attending;
- Support letter from head of department or mentor;
- CV with list of publications (if the list is not provided, it will be assumed that no papers have been published);
- Clinical case abstract (see below).

Clinical case abstract

Applicants are requested to submit an abstract describing a clinical case related to one of the subjects of the Masterclass (breast cancer, gastro-intestinal tumours, genito-urinary cancers, gynaecological cancers, head and neck cancer, lung cancer and mesothelioma). The clinical case abstract should include diagnostic considerations, treatment, results and follow-up, at least three questions proposed for discussion.

Admitted participants will have the opportunity to present the clinical case in the format of a clinical grand round discussion to the chairs, other faculty members and participants. It is recommended that cases reflect the participant's daily practice, avoiding uncommon or extremely rare cases which may have a lower educational impact.

The one-page abstract should be submitted on-line using the template available at www.eso.net, or by entering it in the application form.

Application instructions

Applications may be submitted on-line or by filling out the application form and sending it, together with the required documents, by e-mail.

Apply on-line

In the Application page of

http://www.eso.net/events-2/2868/Latin_American_Masterclass_in_Clinical_Oncology.html

please download the "Template for professional experience" and "Template for clinical case abstract". Fill them out and have them ready on your computer.

Select "Individual registration" to subscribe to the website. When your access data is provided, please log-in and upload the required documents, including the two templates.

Apply by e-mail

The application form can be downloaded from the Application page at www.eso.net. Fill out the form and save it on your computer. The clinical case abstract should be entered in the appropriate page of the form.

Send the completed application form and the required documents by e-mail to cmelcher@eso.net.
